## Wisdom Hidden In Plain Sight

**November 2018**

**Wisdom 6:12-14** (New Jerusalem Bible):

Wisdom is brilliant, She never fades. By those who love Her,  
She is readily seen, by those who seek Her, She is readily found.  
She anticipates those who desire Her by making Herself known first.  
Whoever gets up early to seek Her will have no trouble but will find Her sitting at the door.

**November's Focus:** Generosity and Sharing

**Setting:** a candle, a cloth, an image, or symbol on the theme or monthly focus.

**Music, Song, or Chant:** of your choice

**Opening Prayer:**

**Linking Each to All**

She arises in God,  
And is with Him forever...

Established before beginnings,  
She transcends time.

She is God's word, a fountain of understanding;  
Her ways are timeless, linking each to all,  
And all to One.

Sirach/Ecclesiasticus, 1:1-5  
from *The Divine Feminine*  
by Rabbi Rami Shapiro, pg 17

**Focus Question:** Do you let your generosity extend to all? Or do you fight the emptiness of giving away? Where can you find Wisdom's generosity within your own life?

**Sharing:** All have the opportunity to share on the readings and reflection for this month.

**Wisdom Word:** After all have shared, allow a word or phrase to capture the heart of the group's experience.

**Circle Prayer/Prayer Intentions:** Bring to your circle the people, places, and circumstances for which you wish to pray.

**Closing Prayer:            On Account of our Sharing**

Without a friend,  
Nothing in the world seems friendly.

**On account of our sharing.**

Friendship should not be bounded by narrow limits,  
For it embraces all to whom we owe affection and love.

**On account of our sharing.**

Although it is inclined more hesitantly toward some  
It is given more eagerly toward others.

**On account of our sharing.**

It extends even to enemies,  
For whom we are also commanded to pray.

**On account of our sharing.**

Thus, there is no one in the human race  
To whom we do not owe love,

**On account of our sharing.**

Even if not out of mutual love,  
At least on account of our sharing in a common nature.

**On account of our sharing.**
